

Vision

Healthier Communities Coalition of Larimer County works with child, youth and family serving entities to ensure that every child and youth in the county will be supported by having in their lives: caring adults; safe places to be during non-school hours; healthy lifestyle habits; an effective education; marketable skills; and opportunities to serve others.

Mission

The mission of Healthier Communities Coalition of Larimer County (HCC) is to help improve the health and well being of Larimer County's children and youth by being a trusted support organization. HCC serves as a relationship broker, networker, communicator, convener, facilitator, researcher, capacity builder and advocate for our county's child, youth and family service providers.

Goals

- 1 – Provide the community with statistics, data and information pertaining specifically to child- and youth-related issues.
- 2 – Maintain communication and information sharing opportunities among child-, youth- and family-service providers.
- 3 – Become a resource to which the community turns when a child- or youth-related issue arises that needs a coordinated response to bring about change.

Target Community

Child, youth and family service providers within Larimer County.
